## Department data

The screenshot shows a software window titled "Departments" with a "Department Entry" form. The form contains the following fields:

- DepartmentID: Physical
- SubGroup: 1
- G/L Account Number: 401

A "Previous Menu" button is located in the top right corner of the form area. The bottom status bar displays "Record: 1 of 1", "Filtered", and "Search".

## Specifications data

The screenshot displays a software window titled "frm\_2\_Specifications" with a green background. At the top center, a white box contains the text "Specification Entry". In the top right corner, there is a button labeled "Previous Menu". The main area contains three data entry fields:

- Specification Code:** An empty text box with a small icon on the right.
- Specification:** A text box containing the value "AMS 4243B".
- Library Link:** A text box containing the file path "C:\Users\Papa\Documents\Business\TLM Innovations\JSOBLOG.TXT".

At the bottom of the window, a status bar includes navigation icons, the text "Record: 1 of 1", a "Filtered" indicator with a funnel icon, and a "Search" text box.

Note the new 'Library link'. This can be used to link to your specification detail document.
